

Workplace Qualifications at St John's Centre

Infection Control

An Introductory Course for EYFS Practitioners

Tuesday 9th August, 9.30am-12.30pm £15

This course will help you understand the principles of infection control and how to prevent the spread of infection, including;

- Good hygiene practices;
- Legislation surrounding infection control;
- Infections you may encounter, and how to control them;
- What infections must be reported to the Health Protection Unit; and
- The period of exclusion from the setting required.

Manual Handling

Tuesday 9th August, 1-4pm £15

This course introduces candidates to the hazards and risks involved in manual handling and outlines what to expect from a manual handling assessment. It will enable employees to develop safer manual handling techniques in the workplace. The course will cover:

- The process of manual handling in the workplace;
- Manual handling injuries and the activities which cause them;
- Manual handling assessment and control options;
- Responsibilities imposed by the Manual Handling Operations Regulations.
