## Introducing ourselves

Our names are Cisse and Arezo and we made this newsletter. We go to Whalley Range Sixth Form and we came to St. John's Community Centre for work experience. We learnt many skills such as communication, working with others, understanding customer needs and uses of technology. Our experience at St. Johns Community Centre was amazing as the staff were very friendly and welcoming with a smile on their faces. On the first day of our work experience we did a project called The Bread and Butter Thing where we pack foods and serve the people.

enriching lives in our community

## Become a Community Funder!

We are an independent community centre, funded not by the Council or Government, but by our own efforts and a range of charitable grants.

We want to sustain our independence for the future and become a community centre that is community funded.

We'd love you to be part of our exciting plans for 2020 and beyond.

To find out how to become a community funder please contact us.

## Pantomime!

The pantomime was a fundraiser for the Centre and if you want to take a part next year, please contact us. We raised £1300 which we will use to serve our community.

## Our Annual General Meeting 2020

Film, Food and Future of the Centre

**5pm Thursday 12th March 2020**

All are welcome to come and share food and to meet our special guest speaker, the Mayor of Trafford, Rob Chilton.
